25X1 2. [REDACTED] Bill Miller, in the office of Senator John S. Cooper (R., Ky.), called for FBIS take on Soviet comment on the SALT talks, starting 9 March 1970 and continuing until the Senate disposes of SALT related matters such as the ABM. I suggested the Soviet Union area book which he would accept, although he would prefer receiving just SALT related items. [REDACTED]

25X1

25X1 [REDACTED] FBIS, who initially referred Miller to us, is compiling a package of SALT related items from 9 March to the present and for Mr. Miller's continuing interest we will send the area book.

25X1 3. [REDACTED] In response to his call, and based upon the advise of [REDACTED] Special Assistant to the Director of Personnel, talked to Mr. Ebersol, in the office of Representative William Anderson (D., Tenn.), and told him that we have no summer openings for the Russian language major he had called about yesterday. I suggested that the individual may want to meet with our personnel people to discuss employment opportunities if she is interested in permanent employment, but he said she will be going on for her doctorate at Yale. Mr. Ebersol thanked us for checking into the matter.

Wednesday - 25 March 1970

25X1 1. [REDACTED] Ed Bauser, Staff Director of the Joint
Committee on Atomic Energy, called and said that the materials we
25X1 had sent him did not include the report he had in mind when he first
25X1 contacted us. He went on to say that this was a report of an interview
25X1 on the subject of the [REDACTED] research which was dated 8 January
1970. It became clear what Bauser had in mind was an OOB report.
[REDACTED] of OSI, is getting a copy of this report for us.

25X1 2. [REDACTED] In response to her earlier inquiry
and based on the advice of the Offices of Personnel and Security, I
told Mrs. Pam Cragum, in the office of Representative Allard
25X1 Lowenstein (D., N. Y.), that we have no record of an association between
[REDACTED] and the Agency. (See Journal item of 23 March. 25X1

25X1 4. [REDACTED] Met with Mr. Boyd Crawford, Staff Admini-
strator, House Committee on Foreign Affairs, who told me that he has
received many compliments on the Director's presentation as a very
informative and interesting briefing. The Chairman, in particular, was
pleased with Mr. Helm's presentation and the reception given him by
the Committee.

Mr. Crawford passed to me that Representative Lee Hamilton
(D., Ind.) has called and requested the transcript to take home with him
over the weekend. In keeping with my understanding with Mr. Crawford,
he advised the Representative that the transcript will be made available
in the Committee room at such time as will suit his (Representative
Hamilton's) convenience. The Representative will call Mr. Crawford
when he has time to come by the Committee room to review the transcript.
